TOWN OF LADYSMITH – WATER CONTRACT

It has now been 1 year since the Diamond Improvement District's contract with the Town of Ladysmith expired. While we continue to negotiate, the negotiations are slow.

In the meantime, the Trustees are exploring various options for water. They have been attending workshops and speaking with local representatives in an effort to make the best decisions possible for the DID.

Again, the Trustees remain committed to hosting a General meeting for all residents once a contract has been signed.

PUBLIC ATTENDANCE AT MEETINGS

A reminder that the Public is welcome to attend any of the Diamond Improvement District regular meetings. Residents are given an opportunity to speak at the end of the meeting. Our next meeting is November 21, 2016 at 7 p.m.

The annual Ladysmith Firemen Santa Claus parade will be held on December 18, 2016. The Diamond Hall will be open for all to keep warm while waiting for Santa to arrive. There will be hot chocolate, coffee and cookies available.

DAYLIGHT SAVINGS TIME

We turned the clocks back this past weekend. As winter is upon us, driving conditions can deteriorate. With darkness falling early, remember to slow down as there may be pedestrians on the roadway and visibility can be reduced. If you are walking, remember to wear reflective clothing which can assist motorists to see you. Icy, slippery conditions can occur especially near the bridge.
